CORRIGENDUM.

No. 13.—The following copy of Army Department Corrigendum No. B/17830/1-A.G.I., dated the 19th October 1933, to the Public (Military) Department Notification No. 1, dated the 5th January 1931, appearing on pages 56-57 of Part I of the *Fort St. George Gazette*, dated the 13th January 1931, is published :—

1. After paragraph 2, "Regeneration in peace time," add the following sub-paragraphs :—

"As far as possible, duty platoons will be raised from Gurkha residents in British India. Where sufficient men do not offer themselves for registration, the Recruiting Officer, Gorakhpur, will be required to complete deficiencies

The Officer Commanding the Battalion responsible for regimental mobilization will forward annually on the 1st June to the Recruiting Officer, Gooklipur, a statement of all deficiencies at most registered for service with duty glances. On an intimation being ordered, a telegraphic statement of deficiencies will be forwarded to the Recruiting Officer, Gooklipur, by the responsible officer mentioned above. The despatch of this telegram will be included in the mobilization scheme of the Regimental Centre.

In cases where it is found impossible to recruit in peace more than a negligible portion of the establishment of the duty platoon, the Commanding Officer, may at his discretion, abandon the maintenance of a regimental list in peace, and call upon the Recruiting Officer to supply the whole strength required on mobilization."

2. After paragraph 3, "Procedure on mobilization," *add* the following sub-paragraph:—

"Deficiencies will be completed by the Recruiting Officer, Gooklipur, from among men applying for re-enlistment who are eligible under paragraph 4 below."

G. T. H. BRACKEN,
Chief Secretary.

NOTIFICATION.

Fort St. George, November 9, 1933

No. 460.—The following notice of an advertisement appearing in the issue of the *Swarajya*, dated 23rd October 1933, is republished :—

DRAFT TIRUVALLUR ELECTRIC LICENCE, 1933.

Notice is hereby given that the Tiruvallur Panchayat Board has applied to the Government of Madras for the grant of a license to supply electric energy within the panchayat limits of Tiruvallur and the draft licence is published hereunder. The copy of the deposited map may be inspected free at the office of the Panchayat Board, Tiruvallur, and copies of the draft licence obtained from the President, Panchayat Board, Tiruvallur on payment of Re. 1 per copy. Every local authority, company or person desirous of making any representation with reference to the application made to the Local Government may do so by letter addressed to the Secretary to Government in the Public Works and Labour Department, Fort St. George, Madras, within three months of the date of first issue of this advertisement in *Swarajya*.

LICENCE FOR THE SUPPLY OF ELECTRIC ENERGY GRANTED BY THE GOVERNMENT OF MADRAS UNDER THE INDIAN ELECTRICITY ACT, 1910.

Licence is hereby granted to the Tiruvallur Panchayat Board to supply electric energy in the area with powers and upon the terms and conditions specified below :—

1. *Short title.*—This licence may be cited as the "Tiruvallur Electric Licence, 1933."

2. *Interpretation.*—This licence is to be read and construed as subject in all respects to the provisions of the Indian Electricity Act, 1910, with the statutory modifications thereof and to the rules thereunder; and the several words, terms and expressions to which meanings are assigned by that Act or any statutory modifications thereof or by the rules thereunder or the General Clauses Act, 1897, shall have in this licence and the annexures thereto the same respective meanings provided that in this licence :—

(1) The expression 'The Act' shall mean the Indian Electricity Act, 1910, with the statutory modifications thereof.
(2) The expression 'The Licensees' shall mean and include 'The Tiruvallur Union Panchayat Board and their permitted assigns.'
(3) The expression 'First Annexure,' 'Second Annexure,' 'Third Annexure' and 'Fourth Annexure' shall mean the first, second, third and fourth annexures to this licence respectively.
(4) The expression 'Deposited map' shall mean the plans showing the area of supply or the streets or routes along which electric lines have compulsorily to be laid, all hereinafter specified which have been deposited with the Government of Madras in pursuance of the rules under the Act, and which plans are signed for the purpose of identification by the Secretary to the Government of Madras in the Public Works and Labour Department and by the applicants under the name and style of the Tiruvallur Panchayat Board.
(5) The expression 'Unit' shall mean the quantity of energy contained in a current of one thousand amperes flowing under and electro-motive force of one volt during one hour.
(6) The expression 'Load Factor' shall mean the ratio or percentage of the average quantity per hour to the maximum quantity per hour of energy supplied in any month.

3. *Commencement of licence.*—The date of the notification by the Government of Madras in the *Fort St. George Gazette*, that this licence has been granted is in this licence referred to as 'The commencement of licence.'

4. *Area of supply.*—The area within which the supply of electric energy is authorized by this licence is the whole of the area contained within the boundaries of Tiruvallur Panchayat and more particularly delineated in red on the deposited map.

5. *Purpose of supply.*—Subject to the provisions of this licence and the Act and the rules thereunder, the licensees shall be entitled during the continuance of this licence to supply energy within the area of supply for all purposes :

Provided that the licensees shall not without adequate notice being served on them be under any obligation under section 23 of the Act to supply more energy than is consistent with their obligation to maintain a constant supply to consumers, due regard being had to the licensee's load factor :

Provided that no supply of energy shall be continued to be given by the licensees to owners or occupiers of private premises until the Government of Madras have approved the form of requisition to be made by the owners or occupiers for such supply of energy and also the form of written contract or agreement with the licensees to take a supply of energy, which is to be executed or entered into by the owners or occupiers and until the Government of Madras have also approved the amounts of all miscellaneous charges incidental to or in connexion with such supply and which the licensees propose to make.

6. *System of supply.*—The system to be adopted for the supply and transmission of electric energy under this licence are the following :—

(1) (a) A medium pressure alternating current 3-phase 4-wire supply at a pressure at the consumers' terminals of 400 volts (approximately) between phases and 230 volts between phase and neutral which shall be earthed at one point only on each separate distributing system and at a frequency of 50 complete periods per second.
(b) Provided always that it shall be lawful for the Government from time to time to issue with due regard to the expense involved and to the effect upon the commercial prospects of the undertaking, regulations dealing with the above systems of supply or to authorize subject to limitations and conditions as shall be prescribed in writing by the Government, other systems of supply to be adopted for the purposes of this licence.
(c) A high pressure alternating current three-phase supply at a pressure of 6,600 volts between phases at a frequency of 50 complete periods per second.
(d) The neutral points of the high pressure systems may with the approval of the Government of Madras and the concurrence of the Telegraph authority and the railway be connected to earth.

(2) The transmission lines, feeders, distributing mains and service lines may be overhead or underground in whole or in part, and shall be erected, constructed and maintained by the licensees in strict conformity with the Act and the rules thereunder and the following provisions :—
(a) The licensees shall not use overhead mains at any higher pressure than medium pressure without the sanction in writing of the Electrical Inspector to Government of Madras in each case subject to any conditions or limitations which he may prescribe.
(b) In the streets mentioned in clause (2) of the third annexure hereto or in any other streets which may at any time hereafter be named in writing by the Government of Madras, all electric lines shall be laid underground.
(c) Where the transmission of electric supply line crosses or runs along the routes of tabout, temple car or similar religious processions, the wires shall be laid underground or at such height as will allow of the free and safe passage of these processions shall be temporarily removed.
(d) In all streets and thoroughfares less than 14 feet in width for wheeled traffic posts for overhead electric lines shall not be erected.
(e) In narrow lanes through which wheeled traffic is not permitted, the posts shall be placed on the extreme edge of the lane and a special construction to be approved by the Electrical Inspector adopted to keep the wires four feet clear of every building.
(f) In any street or its direct continuation in which overhead electric lines are run, such lines shall be run throughout one side only.

(g) Where overhead mains are used, due precautions shall be taken by the licensees to avoid any possible interference with the adjacent telegraph or telephone circuits due to inductive effects; the overhead wires shall be suitably transposed where necessary.

(h) For the purpose of rule 61 of the Indian Electricity Rules, 1922, the maximum wind pressure shall be taken as 10 lb. per square foot.

7 *Compulsory works.*—(a) The licensees shall lay down suitable and sufficient transmission lines, feeders and distribution mains and erect the generating station with all such new and apparatus necessary for giving a continuous supply of energy and shall do all other works necessary for the commencement of the supply and to the satisfaction of the Government of Madras throughout such streets or parts of streets as are mentioned in the first annexure and as indicated in red on the deposited map, the latter shall prevail. The licensees shall commence to execute the works aforesaid within nine months from the commencement of the licence and shall complete the same within two years thereof. The works aforesaid shall be in general accordance with the scheme mentioned in the fourth annexure and with such modifications as may be approved hereafter in writing by the Government of Madras.

(b) Further within 12 months of the receipt of the application and subject to the first proviso of clause VI (1) of the schedule to the Act, the licensees shall lay down suitable and sufficient additional transmission lines, feeders and distributing mains as may be required to effect a supply to every applicant, village or community within the area having a demand of not less than eight thousand (8,000) units per annum per mile of additional transmission and feeder lines.

(c) In addition to the streets mentioned in the first annexure, the licensees shall lay down further distributing mains to the aggregate length of one mile as may be directed by the Government of Madras within six months of the commencement of the supply.

(d) If the licensees fail to comply with the above provisions or should in the opinion of the Government of Madras the progress made during any portion of the said period of two years be unsatisfactory, the licence may be revoked and the security furnished as per clause 4 (d) above forfeited.

(e) The licensees shall submit reports to the Chief Engineer for Electricity every six months from the commencement of the licence until the completion of the compulsory works specifying all steps taken and the progress made in carrying into effect this licence.

8 *Generating Station.*—(a) There shall be only one generating station within the area of supply.

(b) The licensees shall be at liberty to generate from one generating station within the area of supply energy to satisfy all or part of their requirements and buy the remainder in bulk or to generate no energy and to buy all energy required for distribution and resale from a hydro electric or other source having a generating station outside the area of this licence.

(c) *Transmission lines from generating stations.*—For the purpose of surveying and transmitting energy, the licensees may after an order in writing has been made by the Government of Madras conferring upon them such of the powers referred to in section 51 of the Act as may be necessary and upon obtaining the general approval required by section 18 of the Act place aerial transmission lines from the generating station to one or more receiving stations. The alignment of the aerial transmission lines from the generating station and up to the one or more receiving stations shall be subject to the previous approval of the Government.

9 *Breaking up of streets and railways and crossing of waterways.*—(a) The licensees are hereby specially authorised to open and break up the soil and pavement of the streets not repairable by the Government of Madras or by the local authority and mentioned in the second annexure to this license and also to open and break up the soil and pavement of the railways also mentioned in the said annexure at such points and places and to such extent only as shall have been previously approved in writing by the Government after the licensees have given such special notice or notices as the Government may direct and within such period as the Government may fix in this behalf to the persons who are entitled to work the said railways and after all representations or objections received in accordance with any such notice have been considered by the Government.

(b) The length of the trenches to be opened on any street at any one time and the period for which they may remain open shall be determined from time to time by the Government of Madras or the local authority by which such streets are repairable. When any street is crossed not more than half the width of such street shall without the specific authority in writing of the Government of Madras or the local authority aforesaid be closed for traffic.

(c) The licensees are further authorised to cross all rivers, streams and irrigation channels within or contiguous to the area of supply in accordance with such conditions as the Government may impose.

10. *Limits of prices to be charged in respect of supply of energy.*—(a) The prices to be charged by the licensees for energy supplied by them shall not exceed those stated in that behalf in the third annexure or in the case of a method of charge approved by the Government of Madras in accordance with clause X of the schedule to the Act, such maxima as the Government of Madras may fix on approving the method. Nevertheless, the licensees may enter into special contracts, subject to sections 22 and 23 of the Act, for the supply of energy.

(b) Should a supply of electrical energy in bulk become available at any future date from a Government power system or other source of supply at such rates that the rates of supply of distributed energy under this licence could be appreciably reduced, the licensees shall obtain their supply from such system or source of supply within 12 months from the date from which notice is given by Government that such supply is available.

(c) In case where the energy is obtained from a Government power system, the licensees shall conform in resale rates and in conditions of working such regulations as may be issued by the Government. If a bulk supply is obtained from a source other than a Government power system and also the maximum specified in the third annexure of this licence to the extent as may be directed by the Government.

11 It shall be the duty of the licensees to give to the nearest Magistrate immediate and full information of any circumstances in which the interruption of the supply may be apprehended as a result of civil commotion or disturbance of the public peace or any strike or lock out of the nature specified in section 15 of the Trade Disputes Act, 1929.

12. *Variations from the schedule to the Act.*—In the pursuance of section 3, sub-section (2), clause (*f*) of the Act, it is hereby expressly declared that clauses IV and IX of the schedule to the Act shall be expected from incorporation in this licence.

13. *Revocation.*—If the licensees fail to comply with the provisions of any of the clauses hereof, the licence may be revoked.

(b) the meter when similarly tested shall not register at no load.

79 B. *Conditions for maximum demand indicators.*—The conditions with which a maximum demand indicator or other apparatus placed upon a consumer's premises in accordance with section 26 of the Act shall comply are for the purposes of that section the following, namely :—

(a) the maximum demand indicator or other apparatus when tested by an Electric Inspector shall not register more than 2½ per cent above or below absolute accuracy at any load from 5 to 125 per cent of the connected full load, and
(b) the maximum demand indicator or other apparatus when similarly tested shall not register at no load."

3. After rule 42 of the said Rules the following rule shall be inserted, namely :—

"42-A. *Switches to be on the live wire.*—In every system where there is a neutral conductor connected to earth, no single pole switch, other than a link for testing purposes, or a switch for use in controlling a generator or transformer shall be inserted in such neutral conductor or any branch thereof :

Provided that a switch, link, automatic or other cut-out may be inserted in the connexion between the neutral conductor and earth at the generating or sub-station, for use in testing and emergency only."

4. Rule 59 of the said Rules shall be re-numbered 59 (1) and to the said rule as so re-numbered, the following sub-rule shall be added, namely :—

"(2) When the external conductor is bare and uninsulated, it shall be efficiently connected with earth, and no switch, cut-out, or circuit breaker shall be inserted in that conductor or in any conductor connected thereto.

Exception.—Switches, cut-outs or circuit breakers may be used to break the connexion with the generators or transformers supplying the energy; provided that in no case of bare external conductor the connection of the conductor with the earth is thereby broken."

NOTIFICATIONS.

Fort St. George, November 11, 1933
(G.O. No. 4703, L. & M.).

No. 1319.—In G.O No 2582, L. & M., dated 22nd December 1921, the Inspector of Municipal Councils and Local Boards was empowered to exercise all the powers conferred by section 40 of the old Madras Local Boards Act, 1920. In the Act as amended by Act XI of 1930 the above section has been replaced by sections 37 to 37-D. A doubt has been raised as to whether the Inspector can continue to exercise the powers under sections 37-A and 37-C in virtue of the orders in G.O. No. 2582, L. & M., dated 22nd December 1921. With a view to place the matter beyond all possible doubt the Government hereby empower, under sections 37-A and 37-C of the Madras Local Boards Act as amended, the Inspector of Municipal Councils and Local Boards to exercise all the powers mentioned in those sections in respect of all local boards.

Fort St. George, November 14, 1933
(G.O. Ms. No. 4737, L. & M.).

No. 1320.—Whereas the Palacole Municipal Council and its Chairman have made default in the discharge of their functions and whereas the Council is rent by faction to such an extent that the administration is at a stand-still, the Government are of opinion that the Council as at present constituted is incompetent to perform the duties imposed on it by law. They therefore direct, under sub-section (1) of section 41 of the Madras District Municipalities Act, 1920, that the Palacole Municipal Council be dissolved on 21st November 1933 and be reconstituted not later than 21st January 1934.

Fort St. George, November 15, 1933
(G.O. Ms. No. 4741, L. & M.).

No. 1321.—Whereas the Tiruvadamarudur Panchayat Board in the Tanjore district is, in the opinion of Government, incompetent to perform, and has persistently made default in performing, the duties imposed on it by law, they hereby direct, under sub-section (1) of section 45-A of the Madras Local Boards Act, 1920, that the Tiruvadamarudur Panchayat Board be superseded for a period of one year with effect from the 21st of November 1933

(G.O. No. 2450, P.H.).

No. 1322.—The Surgeon General reports that the use of the term 'allopathic' to distinguish institutions of Western Medicine (i.e., Modern medicine) is objectionable and inappropriate. The Government have, therefore, decided that the term should not be used in the above sense in official correspondence.

2. The terms 'hospitals' and 'dispensaries' when used without any qualifying epithet indicating the system of medicine in vogue should be taken to refer only to institutions of Western Medicine. If institutions of any other system of medicine are to be referred to, the necessary qualifying words should be used, e.g., Ayurvedic hospitals or dispensaries, Siddha hospitals or dispensaries, Homeopathic hospitals, etc.

3. The term 'rural dispensaries' as used at present in official correspondence refers only to the dispensaries started under the scheme sanctioned in G.O. No. 1537, P.H., dated the 22nd October 1924. The Government have decided that the term should continue to be used in the above sense. The term when used without any qualifying epithet such as Ayurveda or Siddha will refer only to institutions of Western Medicine. If institutions of any other system of medicine are to be referred to, the necessary qualifying words will be used e.g., rural Ayurvedic dispensaries, rural Siddha dispensaries, etc. If such institutions (whether of Western Medicine or Indian Medicine) are subsidized by the Government, they should be referred to as 'subsidized rural dispensaries,' and the words Ayurvedic, Unani, etc., as the case may be, should be added if the institutions are not of Western Medicine. If the word 'subsidized' is not used the institutions should be regarded as one, the cost of which is entirely met from local funds.

4. A regular dispensary is one in which a whole-time medical officer is employed. The term 'dispensary' when used without the addition of the word 'rural' will mean only a regular dispensary.

5. The term 'rural dispensaries' is used in Schedule V to the Madras Local Boards Act, 1920, to refer to dispensaries opened and maintained by Panchayat Boards. The Government consider that such dispensaries should properly be described as Panchayat dispensaries, in view of the terms of paragraph 3 above. Steps will be taken to amend Schedule V to the Act suitably in this regard.

INSTRUCTIONS TO CANDIDATES APPEARING FOR THE EXAMINATIONS TO BE HELD IN 1934.

Candidates for University Examinations are required to observe the following instructions very carefully:—

1 Strict silence should be maintained in the examination room.

2. Candidates should take their places in the examination hall at least five minutes before the time fixed for giving out the papers. Candidates presenting themselves more than half an hour after the appointed time will not be admitted to the examination hall. Candidates who are undoubtedly suffering from infectious diseases of any kind will not be admitted.

Candidates should bring with them to the examination hall, each day of the examination, their hall tickets for inspection by the Chief Superintendent.

3. Candidates are prohibited from writing upon their hall tickets or question papers. Candidates are also prohibited from writing their names on any part of their answer books, but their register numbers should be written very distinctly on the outer cover of each. Failure to write their register numbers may involve the rejection of answer papers.

4. Candidates are not allowed to exceed the time assigned to each paper.

5 No candidate will be allowed to leave the examination room till the expiry of at least half an hour after a question paper has been given out; and no candidate who leaves the room during the period allotted for a paper will be allowed to return within that period.

6. *Candidates are forbidden to ask questions of any kind during the examination. They are further forbidden to communicate with the examiners; should they do so their answers will not be valued, and their conduct will be reported to the Syndicate for disciplinary action.*

Candidates are strictly prohibited from smoking in the examination room.

7. CANDIDATES ARE NOT ALLOWED THE USE OF BOOKS OF ANY KIND (EXCEPT AS PROVIDED IN RULE 9). THEY ARE ALSO PROHIBITED FROM INTRODUCING INTO THE EXAMINATION ROOM ANY BOOK OR PORTION OF A BOOK, SLATE, MANUSCRIPT OR PAPER OF ANY DESCRIPTION, FROM COMMUNICATING WITH OR COPYING FROM EACH OTHER, AND FROM COMMUNICATING WITH ANY PERSON OUTSIDE THE EXAMINATION ROOM. ANY CANDIDATE DETECTED IN THE VIOLATION OF THESE RULES WILL BE SENT OUT OF THE ROOM FORTHWITH, AND HIS CONDUCT WILL BE REPORTED TO THE REGISTRAR.

The use of stencils at university examinations is not permitted except to students answering paper in Mathematics. The use of mathematical instruments whilst answering papers in Mathematics and in Physical Science will be allowed. Such instruments will not be supplied by the University.

8 Clarke's Mathematical and Physical Tables will be supplied to candidates offering Mathematics, Physics, Chemistry, Geography, Electrical Engineering and Mechanical Engineering of the Intermediate Examination, B.A., B.Sc., B.A. (Honours), B.Sc. (Honours), M.A., B.Sc. and B.Sc. (Ag.). Degree examinations and Pre-regulation examination only.

An 'earnest' fee of an amount equivalent to the cost of a copy of Mathematical Tables should be deposited with the Chief Superintendent by each student requiring the use of such books, the amount to be refunded on the book being returned. The cost price of each book is seven annas.

9 Candidates for examination in Science subjects are required to submit their laboratory note books both in the main and the subsidiary subjects to the Examiner concerned on the first day of the practical examination, and to get them back at the close of the examination. *This instruction applies only to candidates appearing from colleges.*

10. Candidates are required to provide themselves with their own pens. Candidates may bring into the examination hall their own ink bottles. They must, however, use only black ink while answering their question papers.

11. Particular attention is requested to the instructions regarding rough working and loose sheets of paper printed on the answer-books. All rough working must be shown on the left-hand page of the answer books themselves. No separate books for rough working will be supplied to candidates. Paper must not be detached from the answer books of candidates. If the ordinary answer books are found insufficient, additional books will be allowed and these should be securely fastened to the answer-books.

12 AS SOON AS CANDIDATES HAVE FINISHED WRITING THEIR ANSWERS, AND WISH TO GIVE UP THEIR ANSWER-BOOKS, OR AT THE END OF THE PERIOD PRESCRIBED FOR EACH PARTICULAR PART OF THE EXAMINATION, EACH SHOULD STAND UP IN HIS PLACE AND REMAIN STANDING UNTIL ONE OF THE SUPERINTENDENTS HAS COME UP TO HIM AND HAS RECEIVED HIS ANSWER-BOOK FROM HIM.

Where the halls are suitable the following alternative procedure may be adopted.—At the end of the period prescribed for each particular paper the candidates should at once fold their answer-books, leave them in evidence at their places, vacate their seats, retire to the passages between the tables and move out of the hall in order and in silence, the Superintendents being meanwhile stationed in position from which they may command a good view of the blocks entrusted to their care, when all the candidates have moved out the Superintendents will collect the answer books.

13 Communications to the Registrar from candidates requesting information relating to the results of examinations will not receive attention until after the publication of the results in the *Fort St. George Gazette*.

14. ALL MUFASSAL CANDIDATES MUST OBTAIN THEIR HALL TICKETS FROM THE CHIEF SUPERINTENDENTS OF THE RESPECTIVE CENTRES AT WHICH THEY ARE TO BE EXAMINED, THREE DAYS BEFORE THE COMMENCEMENT OF THE EXAMINATION. CANDIDATES FROM COLLEGES IN MADRAS MUST OBTAIN THEIR HALL TICKETS ONLY FROM THE PRINCIPALS OF THEIR RESPECTIVE COLLEGES. PRIVATE AND MUFASSAL COLLEGES CANDIDATES APPEARING FOR EXAMINATIONS TO BE HELD IN MADRAS MUST OBTAIN THEIR HALL TICKETS FROM THE CHIEF SUPERINTENDENTS OF THE CENTRES AT WHICH THEY ARE TO BE EXAMINED, THREE DAYS BEFORE THE COMMENCEMENT OF THE EXAMINATION. INFORMATION AS TO THE PLACES OF EXAMINATION WHERE THE CANDIDATES ARE TO BE EXAMINED IN MADRAS WILL BE DULY NOTIFIED AT THE SENATE HOUSE AND IN THE LOCAL DAILIES.

15. *No college student will be allowed to select a centre for his examination other than that in which the College he studies in attended except for satisfactory reasons and on the recommendation of the Principal of the College.*

16. *Candidates appearing at centres where they are not known must be prepared to satisfy the Chief Superintendents of such centres as to their identity. They shall also be required to place their signatures upon the identification certificates produced by them before the Chief Superintendents of the respective centres.*

ANDHRA UNIVERSITY.

INTERMEDIATE EXAMINATION IN ARTS AND SCIENCE, SEPTEMBER 1933.

[Names in italics denote women candidates.]

LIST I.

The following is the list of candidates who appeared for the whole examination and passed.

[Applications for certificates of having passed the examination should be made by the candidates themselves and must reach the Registrar *not later than the 1st February next.* A fee of Rs 3 will be charged for each certificate issued on applications received after that date. Each application must be accompanied by a certificate signed by the Principal of a College or by a responsible Government servant identifying the applicant with the candidate declared to have passed the examination. *Applications sent direct by the candidates will not be considered.* The certificate will be issued after the 15th February next to the person who identifies the candidate. Candidates are advised to arrange their applications for certificates being sent by registered post or to enclose to their applications addressed post cards for acknowledgment, to ensure the receipt of their applications in the office of the Registrar.

The Matriculation certificates, if any, and the Intermediate attendance certificates of the candidates will not be returned.

Applications from unsuccessful candidates asking for information as to the cause of failure or revaluation of their answer papers will not be attended to.]

OFFICIAL ADVERTISEMENTS.

TENDER NOTICE FOR THE SILT CLEARANCE WORK IN THE BUCKINGHAM CANAL FOR THE YEAR 1934.

Sealed tenders from the registered contractors in the Chingleput Division will be received by the undersigned at his office up to 4 o'clock on Friday, the 15th December 1933 for silt clearance in the Buckingham Canal North and South for the year 1934 for the several reaches noted in the schedule of quantities.

2. Tenders should be addressed to the Executive Engineer, Chingleput Division, and superscribed as "Tender for the silt clearance of reach as and as in North and South Buckingham Canal for 1934."

3. Tenderers should pay the earnest money as entered in the schedule of quantities received into the Imperial Bank of India or Government treasury or sub treasury to the credit of Revenue deposits on behalf of the Executive Engineer, Chingleput Division, and enclose the bank receipt or challan as the case may be with the tender. In the case of tenderers whose tenders are not accepted, the bank receipts will be returned to them with an authorisation to the bank or treasury for payment of the money. The earnest money of the successful tenderer will be retained as security deposit for the due fulfilment of the contract and it will not carry any interest.

4. The Executive Engineer, Chingleput Division, will reserve to himself the right of rejecting all or any of the tenders without assigning any reasons for so doing. Tenders which are not in order or are not prepared according to instructions will be summarily rejected.

5. Tenders should be written on one side of the form only. There should be no corrections or erasures. Tenders having any corrections or erasures will be rejected.

6. The successful tenderer will be required to sign an agreement in the proper departmental form for the due fulfilment of the contract within 15 days from the date of receipt of acceptance of the tender.

7. Failure to comply with the conditions laid down in the agreement or to carry out the work in accordance with the specification to the satisfaction of the Executive Engineer, will entail forfeiture of the earnest money deposited.

8. The contractor should not sublet the work.

9. Other conditions of the contract and contract documents in connexion with this work can be seen in the Executive Engineer's office at any time between 11 a.m. and 5 p.m. except on holidays.

10 Specific rates should be given for each item in the schedule and the rates should be in rupees and annas and in multiple of three pies and expressed both in words and figures in the tender. The units and total amount of each page should be entered in the tender. Tenders offering a percentage deduction on the estimate amount will be rejected. The rate should include all charges for shoring, etc., materials, templates and labour for the same. The rates quoted should be for finished items of work and should include conservancy charges, cartage and such incidental charges for the conveyance of materials to the site.

11. All items of work should be done as per Madras Standard Specifications of the Public Works Department and the contractor should specifically state in his tender that the above specifications were perused and understood by him and that the work will be done according to the specification. The contractor should further abide by the conditions in the special specification attached to the tender notice.

12. No claim for damages or delay caused by officers of the department in not allowing the work to be proceeded with will be considered. Tenderers should bear this in mind when tendering for the work.

13. No allowance will be made for shrinkage of the silt removed from the bed of the canal. The spoil will be measured on berms after it is dried and settled, i.e., 10 days after it is stacked.

14. When once the rates tendered are accepted, they will not be revised under any circumstances.

15. A deduction of Re. 1 per unit will be made from the rate for silt clearance for spoil, not removed from the berms by the dates fixed in the specifications for the work. A special clause to this effect will also be included in the *Agreement*, to be entered into with the successful tenderers.

16. If at any time subsequent to the execution of the contract Government materials other than those specified in the contract agreement are supplied for use on the work, they will be charged for at the market rates prevailing at the time of supply or stock issue rate, whichever is greater. No cartage or incidental charges will be borne by Government in connection with the supply of Government materials.

17. The quantities furnished in the schedule are only approximate and they are liable to variations.

18. Tenderers should obtain the prescribed form by paying four annas for each sheet from the Division office and submit their tender in that form. Tender not in the form prescribed will be rejected. Printed schedules of quantities with special specification will be supplied at a cost of rupee one only (Re. 1) per set. The tenderers should follow the description of work given in the printed schedule and they should not make any alterations; else their tenders will be rejected. In submitting the tenders, they should sign the printed copies of schedule of quantities, tender notice and the special specification and return them along with their tenders.

P. V. GEORGE,
Executive Engineer, Chingleput Division.

Mr. W. O. Wright.
Mr. W. M. Browning.
Mr. R. Lee.
Mr. R. D. Bennison.
Mr. A. A. Hayles.

340. Read, approved and recorded the minutes of the proceedings of the previous meeting held on Friday, the 20th October 1933.

341. Read and recorded G.O. Ms. No. 440, Finance (Marine), dated the 30th October 1933, accepting the resignation tendered by Mr. C. A. Thurlbeck of his seat on the Port Trust Board and directing the publication in the *Fort St. George Gazette* of a notification to the effect that Sir Percy Rathore, Kt., O.B.E., M.INST. C.E., I.M.S., Agent, South Indian Railway Co., Ltd., has been appointed to be a Trustee of the Port of Madras.

342. Considered the Chairman's note on the subject of the Trust's cranes on the South Groyne. Considered also the offer of an 8-ton electric crane, second hand, from England and read the exchange of cablegrams and letters in connexion therewith.

Resolved to postpone action on the matter till the receipt of an air mail letter expected from the Trust's Consulting Engineers.

343. Resolved to approve, subject to sanction of Government, of the recovery from the Madras Pilotage Fund for credit to the Trust's Revenue Account, of rent at the rate of Rs. 204 per measem for each unit at "Eden Place" with effect from the year 1930-1931 for the units actually occupied by the Harbour Master and the Assistant Harbour Masters, so long as they are occupied by the officers now in service.

Resolved also to approve, subject to sanction of Government, of the proposal that whenever the units are occupied by a Harbour Master or Assistant Harbour Master recruited on or after the 6th October 1933, the rent recoverable from the Pilotage Fund be the difference between the above rate of rent and the rent recoverable from the occupant in accordance with Resolution No. 301, dated 4th October 1933.

344. Considered an application from the Trust's Port Engineer in connexion with his pay.

Resolved that a reply be sent to the Port Engineer in the terms decided on at the meeting.

345. Considered an application from Lieut.-Commander A. D. Berrington, R.N.R. (Retd.), the Trust's Deputy Port Conservator, for a reduction in the rate at which monthly recoveries are made from his salary in repayment of excess leave allowances drawn by him.

Resolved that the Board regrets its inability to approve any reduction in the rate of repayments already fixed by Government.

346. Resolved to approve of the payment, in full, to Murugappa Asbary, lately a Carpenter in the Port Department, who was dismissed from service, of the Trust's Contribution to his Provident Fund account, together with interest thereon.

347. Considered the Chairman's confidential note on the subject of revised scales of pay of the Trust's subordinate staff.

Resolved that the terms in which reply should be made to communications that have been received from Government on this subject be considered at the next meeting of the Board.

348. Resolved to sanction the grant to M. Cavanah, lately a peon in the Chairman's Office, who was invalided from service, of a gratuity of Rs. 264 being the maximum amount of gratuity admissible to him in respect of his twenty-four completed years of service.

349. Recorded a nil statement of claims paid during October 1933 on account of shortages in railway tracks.

350. Resolved to approve and confirm the lease to Messrs. Louis Dreyfus and Company, Madras, at the usual rate of rent of the larger warehouse of the South Accretion for a period of five years from the 1st January 1934.

351. Recorded G.O. Ms. No. 392, Finance (Marine), dated the 22nd September 1933, recording the Administration and Audit Reports of the Port Port Trust and Pilotage Funds for 1932-1933—*vide* Resolutions Nos. 17d and 180, dated the 28th July 1933.

352. Recorded G.O. Ms. No. 410, Finance (Marine), dated the 19th October 1933, directing the publication in the *Fort St. George Gazette* of a statement showing the financial position of the Madras Port Fund for 1932-1933.

353. Recorded G.O. Ms. No. 417, Finance (Marine), dated the 20th October 1933, directing the publication in the *Fort St. George Gazette* of the amendment of clause 30 (c) of Part I of the Trust's Scale of Rates with regard to rent for open spaces, which was proposed in Resolution No. 205, dated the 4th October 1933.
